# ANNUAL BULL AND FEMALE SALE

Saturday, March 6, 2021 | | Broken Bow Livestock

1:00 PM (CST) in Broken Bow, Nebraska

| RAISING CATTLE WITH THE VALUE OF HETEROSIS SINCE 1984 |

# WELCOME TO THE SALE...

## | RAISING CATTLE WITH THE VALUE OF HETEROSIS SINCE 1984 |

Dear Cattle Producers,

Welcome to our annual bull and heifer sale, being held on Saturday, March 6, 2021, starting at 1:00 PM. Thank you for your interest and support of our program.

One of our goals is to produce high quality beef cattle that will perform well in a variety of environments and management protocols. With raising cattle like that, we feel confident that our bulls and heifers can be used by our fellow cattlemen in their respective herds and perform well with positive results for them.

We are offering 55 yearling Angus and percentage SimAngus bulls, along with 30 yearling Angus and percentage SimAngus open heifers.

The set of bulls we are offering this year have done an exceptional job in our development program. They offer moderate birth weights, very good growth and performance traits. We are very pleased with their dispositions and they are definitely structurally sound. They are athletic, long bodied, with big tops, big butts, and a lot of natural thickness. We feel these bulls will go on to do great things as herd bulls for their new owners. As you go through the catalog and study the numbers, we think you will find bulls that will work in your herd and offer successful results. They have been genomically tested for proof of parentage and to enhance the accuracy of the EPD's. We will have the Ultrasound information for the real world measurements of the marbling, ribeye area and back fat available sale day and prior to our sale on our website. The bulls will have been semen checked by sale day also and will be considered satisfactory breeders. We work very hard to raise the kind of bulls that are structurally sound, will perform well for their new owners and are able to maintain their body condition and are functional after several years of use.

The group of heifers we are offering are definitely top notch. They are ready to go to their new home and fit right in to anyone's breeding program and be successful. They have had all of the pre-breeding vaccinations needed. If you are interested in our heifers, we ask that you either bring your trailer sale day or pick them up at our ranch as soon as possible to get them acclimated to their new environment and management so as to have a successful first breeding season with them.

We realize everyone's lives are very busy anymore, so if the day of our sale conflicts with something you are doing and you're interested in our stock, please don't hesitate to give me a call, come to our ranch and view the sale offering at your leisure. We will help you fill your needs either through you logging on to DV Auction sale day and bidding or contacting one of our Press Representatives for their assistance during the auction. If you are unable to view our cattle in person or be there sale day we offer a 100% satisfaction guarantee on sight unseen purchases.

If you come early on sale day to go through the sale offering, we will have coffee, donuts and rolls available that morning with lunch being served at 11:30.

We thank you for your interest in and support of our program. We appreciate our friends, neighbors and customers very much. Please join us on March 6th.

Good cattle.....they're our passion!

Sincerely,  
Tim & Kristi Mason

The Tim Mason Family

Cover Photo Credit: Thank you to Jessi Mason for the cover shot. Jessi agreed to let us use the photo on the cover after I spotted it on her remodeling blog.

# ANNUAL BULL AND FEMALE SALE

Saturday, March 6, 2021 | Broken Bow Livestock  
1:00 PM (CST) in Broken Bow, Nebraska

## AUCTIONEER

Matt Printz 308-440-2918

## LIVESTOCK PRESS REPRESENTATIVES

Randy Rasby, *Livestock Plus Inc.* 308-539-6195  
Chris Beutler, *Midwest Messenger* 402-380-8244

## SALE DAY PHONES

Broken Bow Livestock 308-872-3334  
Tim Mason 308-643-9403  
Corey Wilkins 256-590-2487

## ONLINE BIDDING

Sale will be broadcast live on the internet at [www.DVAuction.com](http://www.DVAuction.com).  
Application for buyer number needs to be approved the week prior to March 6. See page 2 for more information.

## ABSENTEE BIDS

You may leave your bids with one of the Sale Representatives, Auctioneer, Corey Wilkins or Tim Mason.

## FIRST BREEDING SEASON GUARANTEE

Bulls selling for \$3,000 or more are guaranteed against a breeding injury during their first breeding season. The breeding season is defined as the 90-day period following the first turnout of the purchased bull. Please notify us as soon as possible when an injury occurs and has been diagnosed by a licensed Veterinarian and prior to the injured bull being sold. All claims must be made by October 2021. If we have a comparable bull available he can be provided to get your cows covered this year, otherwise you will be given a credit of the purchase price of the injured bull less \$1500. (buyer keeps salvage value), to be used in next year's annual sale. This does not cover against mismanagement or neglect. We do not guarantee against death or injuries sustained prior to the breeding season. Mortality insurance is suggested.

## DELIVERY

A \$100 discount will be given for each bull taken home on sale day. We will start delivering bulls for free in Nebraska after April 1. We suggest, if you purchase a heifer that you take them sale day or as soon as possible afterwards to get them home to their new environment and feed management to be ready to fit well into your breeding program.

## ACCOMMODATIONS

Cobblestone Hotel 308-767-2060  
*Broken Bow, NE*  
The Boarders Inn & Suites 308-872-6428  
*Broken Bow, NE*

## VIDEOS

Video of all sale animals will be available by visiting us at [www.MasonAngusSimAngus.com](http://www.MasonAngusSimAngus.com) or [www.dvauction.com](http://www.dvauction.com).

## SEMEN INTEREST

Mason Angus and SimAngus will retain 1/3 semen interest in all bulls selling. Buyer receives full possession and salvage value.

## TERMS AND CONDITIONS

Terms of the sale are cash. All animals will be sold to the highest bidder. Changes in the catalog will be announced sale day and will take precedence over printed material in the catalog. A supplement sheet with updated information will be provided sale day. All cattle are the buyer's property as soon as sold and will be cared for at the buyer's risk. Any person attending the sale does so at their own risk. Neither, the sale management, owners, or sale facility will be held liable for any injuries. Not liable for any inaccuracies.

## HOSPITALITY

Rolls and coffee will be available in the morning. Lunch will be available at 11:30 am.

## ULTRASOUND

Megan Gotschall of Ranch Country Cattle Services performed all ultrasound work done on the bulls and heifers.

## HERD HEALTH

Total herd health is provided by Broken Bow Animal Hospital. All bulls have been fertility examined and deemed Satisfactory Breeders. Scrotal measurements were done by BBAH. The heifers are up to date on all health shots and have had a Preg-Guard 10 vaccination.

## HERD NUTRITION

Our total herd's nutrition program is established from the advice and guidance of Bob Myers, Suther Feeds Inc Nutrition Consultant, 308-367-7115, and the direction of Dr. Dennis Holthaus, Suther Feeds Inc Nutritionist.

## VIEWING

All bulls and heifers can be viewed, at anytime prior to the sale at Mason Angus and SimAngus Ranch. Ranch located 2 ½ miles North, 2.5 miles East, and 1/12 miles North of Anselmo, NE. The sale animals will be available for viewing anytime after 2:00 pm Friday, March 5, at the Broken Bow Livestock sale facility.

## SALE MANAGEMENT

Marty Ropp 406-581-7835  
Corey Wilkins 256-590-2487

[www.alliedgeneticresources.com](http://www.alliedgeneticresources.com)

Welcome to the fourth edition of the Mason Angus & SimAngus Production Sale. Tim & Kristi has once again assembled an excellent assortment of genetics for your appraisal March 6th in Broken Bow, NE. The cattle represented in the sale comes from of the most profit driven sires in the beef business and are backed by a set of cows in which Tim has carefully selected on for maternal traits for over 30 years. Past customers will attest the Mason bulls will hold up and come at price points who will fit nearly any budget.

As we are getting well in the new year there is no doubt optimism can be felt not only in the cattle business but the whole agriculture community. Beef continues to be consumers pick of animal protein and the cattle futures look promising as we push further into the new year. However, extra value for producers still can be captured for those producers who choose to differentiate their product. Sound genetics alongside a strong health program creates extra demand no matter the marketing venue you are at. I am confident you will find genetics that sire progeny who will garner premiums at the Mason program.

If you have not had a chance to stop by the Tim & Kristi's place to view the bulls, we highly encourage you to do so. If you cannot be with us on sale day in Broken Bow be sure to catch the sale on DV Auction. If we can be any assistance to you do not hesitate giving us a call.

Sincerely,  
*Marty Ropp and Corey Wilkins*

Genomic enhanced EPDs. Hypnotic is out of a tremendous young cow that is doing very well for us. Study this bull and you will find he is one of our top SimAngus bulls. We think LSS Hypnotic will do great things for his new owner!

LSS HYPNOTIC 180H Sells as Lot 36.

Big spread genetics can be found in the Super Duty sons. The bulls post modest birthweights while having an abundance of growth. Likewise, the bulls will improve fleshing ability and body capacity of their offspring.

GIBBS 6155D SUPER DUTY Sire of Lots 37-41.
